- \* City of Trenton – Note: Minimum tonnage per pick-up will be 4 tons due to cost of plant start-up, except by prior arrangement.
- \* Fred Weber – Notes: Locations are seasonal and/or require a 200 ton minimum tonnage for production. Plant opening charges for 200 tons or less = \$3,000 based on 8 hours maximum. HMA Winter pricing is effective December thru March and supercedes quoted pricing.
- \* G&M Concrete & Asphalt Company – Note: Prices based on MoDOT index of \$313.75 at time of bid. Price will be adjusted w/ index fluctuation.

#### BID NOTES:

Environmental fees and/or surcharges will not be accepted on any bid. These types of fees were to be buffered into the unit pricing. Pricing is “per ton” and firm for calendar year 2016, except in the following cases:

A) **Vendors may elect to submit revised pricing**, due to extreme market fluctuations, by providing the MoDOT Northeast District Procurement Office in Macon, MO., with revised pricing (either by fax to 573-526-3169 or via US Mail) **on or before the last Tuesday of the month**. It is the vendor’s responsibility to monitor this deadline each month. Any revised bid pricing submitted before the last Tuesday of each month will go into effect the first day of the following month. For example: Revised bid pricing submitted before Tuesday, March 28<sup>th</sup>, 2016, would go into effect on Friday, April 1<sup>st</sup>, 2016). Revised bid pricing will remain firm and in effect for the remainder of 2016 or until changed by a future revision.

B) If a “New Plant or Mobile Plant” is established during the period of this agreement, which would allow MoDOT immediate access to a product, the vendor will be allowed to establish a bid price on the spot, instead of waiting for the normal revision period at the last Monday of the month. When this occurs, contact the MoDOT Northeast District Procurement Office, to establish bid pricing for the new or mobile plant when it becomes operational.

Notification of the online posting of this solicitation was also sent to J and C Asphalt Solutions and Norris Asphalt Paving Co., but no response was received from these vendors. Notification was also sent to the State of Missouri Office of Administration’s Office of Equal Opportunity (OA OEO).
